

Big Shug, Who? (Got My Back)

Uh uh, uh uh
Where the real niggaz at ?
What, who got my back ?

(Verse 1)

And who will be ready for war at all cost?
Position themselves to take the fake heads off?
And who will really cock their weapon? not their mouth
When it's time for you and your team to go all out
And who in the face of danger keeps quiet?
Never snitch, never give up your mans and them for shit
And who will rock my product like 'caine ?
Push that shit like rocks to the top of the game
Is it you? And who got my back like a cape?
So I can be a super hero,
get more money like dinero (Deniro?).
And who will never sell their soul or the asshole for the dollar?
If you feelin' me niggaz, then holla.
And who sees this shit through veteran eyes,
And for hip-hop be more than ready to die?
Surprised it's not many real niggaz left.
My mind's designed to get, while you step and fetch

(Chorus)

And who gonna get my back, oh
And who gonna bust their gat, for me
And who gonna feel like I feel, keepin' it real like gangstas do, who

(Verse 2)

And who's gonna support their seeds?
Be a father to their child,
And still live big willy style?
And who gonna walk their dogs till their tongues hang out?
'til world wide, your joints bang out?
And who's gonna keep the faith in their niggaz?
Not get gassed and caught up with the silly gold diggers?
And who will never hate, never be an ingrate,
Never whine or cry, whether free or upstate?
And who on steroids, all muscled up
Won't rub us the wrong way and get their ass fucked up?
And who will write their own rhyme
Time after time?
Hot shit that leaves the comp dumb and blind
If it's you than you came to the right place,
And if it's not you, then you get smashed with a brick in the face.

(Chorus)

And who gonna get my back, who
And who gonna bust their gat, who
And who gonna feel like I feel, keepin' it real like gangstas do, who

And gonna get my back, Who
And gonna bust their gat, who
And who gonna feel like I feel, keepin' it real like gangstas do, who

And who gonna get my back, who
And gonna busts their gat, who
And who gonna feel like I feel, keepin' it real like gangstas do, who

Who got me, who
Who got me
