

# Big Star, Downs

Take downs

Things sinkin' with a melody

Someone's gonna ask if you graduated

But as for you

Throw down

Isolated as far as you go

I'm well versed in the walls of worst

In the windows of most

Wind down

A.c.

Coast to coast

High cool 'cept when i lie with you

Naked on a southern love

Oh cool downs

Cool downs

Wise and prosperous

That i am

Flustered and erratic

'cept when i lie with you

Naked on a southern love

Give downs

Rub downs

Lie downs

Any downs at all

Any downs at all
