

Big Star, I Don't Know

Whatever it is you're thinking
Sit down and let's give it a try
You know that i'll always listen
But sometimes i'm wondering why
You don't lie to me
And i wouldn't lie to you, oh no
Baby i'm feeling lost
I don't know what i'm going to do
You don't know what you're putting me through
I gotta get away from you

Once in a while you're lonely
Tell me if needed a friend
I'm wondering what is the matter
But you say that you can't explain
But you don't lie to me
And i wouldn't lie to you, oh no
But baby i'm feeling lost
I don't know what i'm going through
You don't know what you're putting me through
I gotta get away from you

Do you want me
I want you
You don't want me,
I want you

Don't you know i'm losing sleep at night
Sleep at night

I don't know what i'm going to do
You don't know what you're putting me through
I gotta get away from you

Whatever it is you're thinking
Sit down and let's give it a try
You know that i'll always listen
But sometimes i'm wondering why
You don't lie to me
And i wouldn't lie to you, oh no
But baby i'm feeling lost
I don't know what i'm going to do
You don't know what you're putting me through
I gotta get away from you
