

# Big Star, O My Soul

O my soul mama  
I lose control  
Go ahead and shake if you wanna  
And i'll never know  
Wull come on  
You know it's alright  
We've got all night  
You're driving me mad  
And you shouldn't do that  
We're going to get on up  
And drink till we drop.

You're really a nice girl  
And i think you're the most  
And when we're together  
I feel like a boss

Chorus trying to see you  
I'd know off your doors  
Dying to see you  
I'm down on the floor.

I can't get a license  
To drive my car  
But i don't really need it  
If i'm a big star.

Never you mind  
Go on and have a good time.
