

Big Star, You And Your Sister

They say my love for you ain't real
But you don't know how real it feels
All i want to do
Is to spend some time with you
So i can hold you, hold you

Your sister says that i'm no good
I'd reassure her if i could
All i want to do
Is to spend some time with you
So i can hold you, hold you

Plans fail every day
I want to hear you say
Your love won't be leaving□□ (run run, run run)
Your eyes ain't deceiving□□ (run run, run run)
Fears will soon fade away
Smile now, don't be afraid
All i want to do
Is to spend some time with you
So i can hold you, hold you

And let me whisper in your ear
Don't you worry, they can't hear
All i want to do
Is to spend some time with you
So i can hold you
