

Big Star, You & Your Sister

They say my love for you ain't real
But they don't know how real it feels
All I want to do
Is to spend some time with you
So I can hold you, hold you

Your sister says that I'm no good
You know I'd show them them if I could
All I want to do
Is to spend some time with you
So I can hold you, hold you

Love you every day
Love to hear you say
Your love won't be leaving
Your eyes ain't deceiving
Love you every day

Let me hear you say
All I want to do
Is to spend some time with you
So I can hold you, hold you

And let me whisper in your ear
Don't you worry, they can't hear
All I want to do
Is to spend some time with you
So I can hold you, hold you

If you give me a little time
I will show you I ain't lying
All I want to do
Is to spend some time with you
So I can hold you, hold you
