

# Big Sugar, Let It Ride

(Charles Turner/Randy Bachman)

Goodbye, I lied  
Don't cry, would you let it ride?  
Goodbye, I lied  
Don't cry, would you let it ride?

You can't see the morning  
But I can see the light  
Try, try, try to let it ride  
While you've been out running  
I've been waiting half the night  
Try, try, try to let it ride

Would you cry if I told you that I lied  
And would you say goodbye  
Or would you let it ride?  
Would you cry if I told you that I lied  
And would you say goodbye  
Or would you let it ride?

Babe, my life is not complete  
I never see you smile  
Try, try, try to let it ride  
Babe, you want the forgiving kind  
And that's just not my style  
Try, try, try to let it ride

Would you cry if I told you that I lied  
And would you say goodbye  
Or would you let it ride?  
Would you cry if I told you that I lied  
And would you say goodbye  
Or would you let it ride?

You've been doing things worthwhile  
I've been bookin' time  
Try, try, try to let it ride

Would you cry if I told you that I lied  
And would you say goodbye  
Or would you let it ride?  
Would you cry if I told you that I lied  
And would you say goodbye  
Or would you let it ride?
