

# Big Sugar, Sugar In My Coffee

(arr. by G. Johnson)

I don't want no sugar in my coffee  
Makes me mean, it makes me mean  
I don't want no sugar in my coffee  
Makes me mean, makes me mean

If you see my woman coming  
Just bow your head, bow your head  
If you see my woman coming  
Well, I said bow your head

Bought me a bulldog, guards my woman  
When I'm gone, when I'm gone  
Bought me a bulldog, watch my woman  
When I'm gone, when I'm gone

I got a bulldog, weighs five hundred pounds  
In my backyard, in my backyard  
Got a bulldog, weighs five hundred pounds  
In my backyard, my backyard

And when he barks, he roar just like thunder  
Up in the clouds, up in the clouds  
Yeah, when he barks, roars just like thunder  
Up in the clouds, up in the clouds

I don't want no sugar in my coffee  
Makes me mean, it makes me mean  
I don't want no sugar in my coffee  
Makes me mean
