Big Tent Revival, What I Want For Christmas

Chorus:

Let me tell you what I want for Christmas Let me tell you what I want this year For the world to see the love of Jesus And put away their doubts and fears What I want for Christmas I want the world to know, Jesus That's what I want for Christmas

Hark the herald angels sing Come on and get excited Come, see the new born king Everybody is invited

Chorus

Hey, come along with me Together we can show them They will be eternally grateful Just to know Him
