

# Big Tent Revival, What Would Jesus Do

What Would Jesus Do

Some people just want to survive  
And I don't know about you  
But I am alive  
Lately it seems  
That I need a hand  
In a fallen world  
I just want to stand

What would Jesus do walkin' in my shoes  
Workin' at my job and goin' to my school  
And I hear people say, 'Jesus is the way'  
I believe and that is why I'm asking you  
What would Jesus do?

And as we all know  
Life can be tough  
And all that we need is love-sweet love  
So where do we go? Well here's what I see  
To change my world  
I gotta change me

What would Jesus do walkin' in my shoes  
Workin' at my job and goin' to my school  
And I hear people say, 'Jesus is the way'  
I believe and that is why I'm asking you  
What would Jesus do?

Sometimes choices don't seem black and white  
And they can leave you black and blue

What would Jesus do walkin' in my shoes  
Workin' at my job and goin' to my school  
And I hear people say, 'Jesus is the way'  
I believe and that is why I'm asking you  
What would Jesus do?

What would Jesus do walkin' in my shoes  
Workin' at my job and goin' to my school  
And I hear people say, 'Jesus is the way'  
I believe and that is why I'm asking you  
What would Jesus do?

What would Jesus do ' He'd give His life for you  
If you follow Him ' you'll give your life to them

What would Jesus do ' He'd give His life for you  
If you follow Him ' you'll give your life to them

Shine on ' Shine on ' Follow with Jesus  
Shine on ' Shine on ' Follow with Jesus
