

Big Time Rush, Can't Get Enough

I can't get enough of this feeling
I can't get enough
Give me more
Got me seeing stars on the ceiling
Wanna fall in love on the floor

The way you look at me
Like we got history
When your love was mine
In another time

I feel the gravity
Pulling you close to me
I won't let you slip away

I see the future in your eyes
I know you see the same in mine
I want this forever
Yeah, our hearts beating together
And I'm feeling so alive

I can't get enough of this feeling
I can't get enough
Give me more
Got me seeing stars on the ceiling
Wanna fall in love on the floor
I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
I can't get enough

Ohh you got me confession
You had me at first impression
I'm all about you
All about you
Impatiently waiting
The way you look is amazing
I gotta have you
Gotta have you

I see the future in your eyes
I know you see the same in mine
I want this forever
Yeah, our hearts beating together
And I'm feeling so alive

I can't get enough of this feeling
I can't get enough
Give me more
Got me seeing stars on the ceiling
Wanna fall in love on the floor
I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
I can't get enough

I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
I can't get enough

I swear it's like the stars aligned and pointed straight to you
I can't deny you take me higher, all I want is you

I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
I can't get enough

I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
Ahh
I can't get enough
I can't get enough
No I can't get enough
