

Big Time Rush, Elevate

Elevate a little higher
Let's throw a party in the sky and celebrate
Elevate until we fly, yeah
Move your feet until you levitate, come on let's elevate

Forget about your day under the Milky Way
I know a place where we can go
No need to be afraid
Come on, I'll demonstrate
Take you to outer space
Here we go, here we go

If you want to party
And I know you're down
If you want to party, you want to party

Chorus:
Elevate a little higher
Let's throw a party in the sky and celebrate
Elevate until we fly, yeah
Move your feet until you levitate, come on let's elevate (x2)

We're floating in the air
Look at the view from here
Show you a world you've never seen before
We're dancing in the stars, no matter where we are
Jupiter Boulevard, here we go, here we go

If you want to party
And I know you're down
If you want to party, you want to party

Chorus:
Elevate a little higher
Let's throw a party in the sky and celebrate
Elevate until we fly, yeah
Move your feet until you levitate, come on let's elevate

Don't even hesitate, just let in escalate
I want to see you go up
Break through the ceiling
Now it's time to hit the clouds
And now we ain't coming down

Chorus:
Elevate a little higher
Let's throw a party in the sky and celebrate
Elevate until we fly, yeah
Move your feet until you levitate, come on let's elevate
