

# Big Tuck, Bottom Bitch

(feat. Sleepy Lee)

[Big Tuck:]

What's happening mama, let me shoot at you  
I'm digging your style, I see you feeling me too  
Let's hop in the slab, go to the lake front view  
I got some'ing on my mind, I'd like to share it with you  
The limo tint, the bank up loud  
It's just me you, and this hydro cloud  
Damn you fine, thinking out loud  
You got the potentials, of what I'm thinking about  
(my bottom bitch), I need some'ing to trust  
And at the end of the night, you'll be the some'ing I touch  
It's easy right now, cause my life's so plush  
Plus my cabbage is up, I won't ask you for much  
I hope you get the point, that I'm shooting at you  
If I was down on my luck, I'd be counting on you  
To be my bottom bitch, my bottom bitch  
My bottom bitch, my motherfucking bottom bitch

[Hook: Sleepy Lee]

I don't mean to come at you like this, but girl I need a bottom bitch  
My motherfucking bottom bitch, (one just like you  
If my hustle don't work, I could count on you to be my bottom bitch)  
My bottom bitch, (show me a grind  
Before I invest my time, I need to know that you down  
To be a bottom bitch), my bottom bitch-my bottom bitch-my bottom bitch

[Big Tuck:]

My game too real, I know that I got her  
The flawless jewelry, I guess she know I'm a rider  
Fresh out the shower, body covered in Prada  
The brand new Benz, plus the whiff of Piscota  
I'm fresh to death, you'll be fresh too  
My world's off the chain, let me share it with you  
You won't be the same, after a hour or two  
First class to London, to the Madimalshu  
For my bottom bitch, diamonds and pearls  
Don't forget the passport, we bout to travel the world  
And it's just like that  
It's amazing to have a face, and a shape like that  
Let's blaze this sack, take this stack  
This what it feel like, to have mink on your back  
This for my bottom bitch, my bottom bitch  
My bottom bitch, my motherfucking bottom bitch

[Hook]

[Sleepy Lee:]

Baby it's some thangs, that I gotta know  
Would you be around, if I was po'  
If I lost a million dollars, in a day  
Would you still treat my Tempo, like an Escalade  
Or would you, leave me lonely  
Thinking bout you only, I just gotta know baby

[Hook]

[Sleepy Lee singing]
