[children]

[children]

[Fresh]

Ya better let your chick drop to get 'em

And follow that broad to make sure them people not with 'em

[children]

Cause you don't want that heat pepper nowhere round your house

[children]

Six!

[Fresh]

See how it come back before you start

And if it come short bring back everything you bought

[children]

Five!

[Fresh]

Wait, if lil' daddy on the street

Cut the cake, hit the hood the next day about eight

[children]

[Fresh]

And if you can't move it all, call your dog

Jam him up, and tell him, "Fool, me and you about to ball."

[children]

Three!

[Fresh]

Split it up - four quarters-a-piece

And if y'all do that everyday, that's fifty-six-a-week

[children]

Two!

[Fresh]

When the money start comin', keep sellin'

Don't buy nothin' special unless you got good credit

[children]

[Fresh]

And in a month call the man and tell him, "Bring a extra five."

[Hook2x (children)]

Ten ways to a G

Two situations - pay attention to me

[children]

Ten!

[Fresh]

Gotta floss everyday of my life

Forget the price - get the ice, hit the club every night

[children]

Nine!

[Fresh]

Buy the ball, let 'em know you a star

When everybody come outside to see the dubs on your car

[children]

Eight!

[Fresh]

They gon' hate - so keep that tool

Scratch off and holler out the window, "Boy, I'm a fool!"

[children]

Seven!

[Fresh]

When ya meet, take a broad to plug

And make sure that chic was the baddest broad in the club

[children]

Six!

[Fresh]

Lay it down when you're comin' around - bumpin' the sound

Got the truck touchin' the ground

[children]

Five!

[Fresh]

Leather, wood, television all over it, B.

[children]

Four!

[Fresh]

Everything them wannabe's got, I played it

[children]

Three!

[Fresh]

Two dice on the block - keep it real

Bet the house that's about two-point-five-mill

[children]

Ride everything chrome, rock everything platinum

[children]

One!

[Fresh]

Keep shinin' 'til it burn me out

But never ever let the money, baby, turn me out

[Hook2x (children)]

Ten ways to a G

One situation - pay attention to me

[children]

Ten!

[Fresh]

Tell a broad, "Everything for free.

You can shop 'til you drop, shorty, all on me."

[children]

Nine!

[Fresh]

Number ten ain't nothin' but a lie
Don't buy the broad nothin', and I'm 'bout to tell you why
[children]
Eight!
[Fresh]
Sell the skank a dream bigger than life
And she gon' stick around for the shoppin' spree, alright
[children]
Seven!
[Fresh]
Tell your broad you know me, and we jam tight
And you like what I like, and you gon' be alright tonight
[children]
Six!
[Fresh]
Nine times outta ten I went out with the broad you with
But that shouldn't stop you from doin' what you do, slick
[children]
Five!
[Fresh]
Then turn to her - tell her you love her, and don't laugh
And if I had a penny, baby, then you got half
[children]
Four!
[Fresh]
What's yours is mine, and what's mine is yurn
And you got it right now -
and that'll leave a-thousand dollars to my tax return
[children]
Three!
[Fresh]
At this point, if you love me,
you'll make my fantasies come true
And if she say, "What it is?" -
To sleep with your sister and you
[children] Two!
[Fresh]
Don't love these (?) - love yourself
And if you pay attention to this you'll have plenty of wealth
[children] One!
[Fresh]
I'm done, and I ain't got nothin' else to say
'Cause I can't think of nothin' to rhyme with this shh..
y'all have a nice day

[children]
Ten ways to a G
[Mannie Fresh] Good night, everybody
[children]
Ten ways to a G
[Mannie Fresh] Yeah, yeah, yeah
[children]
Ten ways to a G

[Mannie Fresh]
What?
What?
Now looky here

[children]
Ten ways to a G

[Mannie Fresh {talking}]
I gave you three situations
And ten ways to deal with it

You see what I'm sayin'
If you apply that to your everyday-life
whether you slingin', you dig
Ballin'
Or playin' on broads
You, too, can be scraped
I said scraped - that's right - scraped
See what I'm sayin'
And these (?)
I mean, we gotta get together - marry yourself, man
'cause ain't nobody gon' care 'bout yourself but yourself
Know what I'm sayin'
Go marry yourself, go on a honeymoon - treat yourself
I mean, 'cause can't nobody cheat on theyself
You gon' be with yourself, but you can't cheat on yourself
You know what I'm sayin'
Man, that's ballerrific
Stuntastic
And I like to say one more time: good night
Mmm-hmm
And tell myself, "Self, I am so enfatuated with you."

[self]
Hey, thank you
I'm enfatuated with you, too

[Mannie Fresh]
Good night, self

[self]
Good night
Good night, Mannie
I love you
