[Mannie]

Now I'm feelin good and fine  
Smokin green and drinkin wine  
Ten thousand dollars at the bar (all on Baby)  
I guess this makes me a super-duper star  
Drinkin ripple and tanquerae  
A brand new drink, I call it ripple-rae

[Chorus 2x]

My life is beautiful  
(Livin that good life)  
It's just beautiful  
(Livin that good life)

[Mannie]

Baby take me to the motel  
When we finished you can go tell  
Teresa, Lisa, and Dawn  
How we got butt-naked and go it on  
How I split ya, hit ya and brung ya home  
Stole ya chains and rings and herenbone

[Chorus]

[Mannie]

Don't hate me baby cause I'm beautiful  
These fancy cars aint new to ya'll  
Don't hate me baby cause I'm beautiful  
These fancy cars aint new to ya'll
