

# Big Tymers, I'll Take You There

(Chorus)  
(Petey Pablo)

Now how can one get up off the spot  
God damn raise a family get up off the block  
Where the city dont love and they dont care  
but I will take you there  
(2X)

Verse 1: (Baby)

tell the sister like blood  
little brother a thug  
and how to survive the cracks in the middle of the mud  
im the OG gangsta VL in the truth  
every nigga in my city kno how to hussle and shoot  
my lil homey got killed over a key and a pound  
so when i pump pump blood im a hold it down  
his sister and his moms when i come around  
showin love to the family when ya lose your ground

(Mannie)

Wussup lil man had to write you a rap  
just to let u know this nigga still got yo back  
aint to much change still doin my shows  
stayin away from fake niggas and busta ass hoes  
but enough about me and everything in my world  
congrats lil dad heard u had a lil girl  
if theres anything they need and they ever in a jam  
dont hesatate to ask yall call ya fam

(chorus 2X)

Verse 2 (Baby)

but can you see life roomin with no crack and pipe  
and no weed to smoke no Gs in sight  
and no cris to bust no wheels on bikes  
and no pussy to fuck nobody to like  
but can you see life roomin wit no money and goods  
big money heavyweights wit nobody to cook  
nobody to book  
nobody to look  
tryin to get back what motherfuckers they took

(mannie)

all you see is that platinum shit  
a ghetto nigga on stage grabbin his dick  
but you dont know what i have seen  
from the bitches to the riches to the triple beams  
the project bricks the old school kicks  
the early mornin capers and the late night flicks  
but since i moved on things aint the same  
i chose rap you chose the game

(chorus 2X)

verse 3 (baby)

See your mom still strugglin you up in the pen  
but mom just wonderin when the end gon end  
when the guns gon stop from spinnin the bin

or when the hood gon block the dope in the pen  
or when the light shot out you up in the park  
the white trunk out your homey got marked  
or every nigga that talk or rat in his heart  
or every nigga that talk should die in the dark

(mannie)

i never forgot you and what we did  
and how we came up and where we lived  
im seven forever turn coke to never  
hard head til im dead until im bout my cheddar  
gotta get my ends wanna push a benz  
eat steak live great and raise my twins  
i cant believe im talkin to ya now that ya gone  
i luv ya bruh and this is my song

(chorus 2X)

(music fades to end)
