

# Big Umbrella, Sell It Back (Caroline)

-----  
Oh Caroline, don't put this distance between us  
Sell back your ticket out of town  
(And) oh Caroline, don't do irreparable damage  
I'll find the rent, we will manage  
Sell it back Caroline  
Oh Caroline, look what I've done for you  
More than you asked me to  
And what a price to pay  
Time after time, I let you run me through  
I sold my soul to you  
Sell it back Caroline  
Anything that I can do  
You know I've always tried  
To keep you  
Anything at all  
I won't let you go without a fight  
And every word is true  
Anything you say, I believe it  
Even when you lie, I believe it  
Sell it back Caroline  
What will it take to get this back now Caroline?  
I want it all back  
If you're gonna leave  
I want it all back
