

# Big Wreck, Overemphasizing

Once was a man a rage  
All foreigns tales onstage  
It turns a page

All through this time, not grown  
She'll go through life alone  
Don't answer the phone

Overemphasizing  
The time we spent  
Oh, the time you lent  
Overemphasizing  
Oh, the less you gave  
And I forgot to save

Not long ago, we moved  
Still much was left to prove  
I was removed

Overemphasizing  
The love we made  
Well I forgot to save  
Overemphasizing  
All the locks you gave  
That I forgot to save

Once was a man a rage  
All foreign tales on stage
