

# Bigwig, Dylans Song

You were only 18 When you went to your University  
Now I've found someone else  
Someone just like me

Now I'm alone and by myself  
Without anyone to blame  
I can't help falling in love  
I'm still in pain

Now maybe you won't have  
to put up with my shit  
It won't ever be the same  
Be the same it's always been  
I won't say I love you  
Do you feel the same about me?  
All alone I'm still in pain

And I won't say I love you  
Cause I don't really want to  
I won't be around you  
No I won't

And I won't say I love you  
But I can't stay away from you  
Do you feel the same about me  
All alone I'm still in pain
