

Bikini Kill, Finale

Red light stop

Green light go

I'm hearing voices

On my stereo

They wanna tell me something, they wanna tell me right now,

they wanna tell me something, they wanna tell me now

We're the girls with the bad reputations

We're the girls gonna make you pay

We're the girls with the bad reputations

We are gonna have our say

Time to go

Time to go

Time to go

Green light go
