

# Bikini Kill, Jigsaw Youth

I can sell my body if I wanna  
God knows you've already sold your mind  
I may sell my body for money sometimes  
But you can't stop  
That fire that burns inside of me  
You think that I don't know  
I'm here to tell you I do  
You think that I don't know  
I know the truth about you  
Jigsaw Jigsaw Youth  
We go with the kids  
Yeah yeah yeah  
Jigsaw Jigsaw Youth  
We know there's not one way  
One light  
One stupid truth  
Don't fit your definitions  
Don't meet your demands  
Not into win/lose reality  
Won't fit in with your plan
