

# Bikini Kill, Tell Me So

Take out a piece of paper  
Put your name up in the corner  
Take out a piece of paper  
Write everything down  
Then you can read it back to me  
And maybe you can hurt me  
You can read it back to me  
Maybe you could know something  
About me  
About me  
If you are gonna look at me  
I am gonna get a prize  
If you are gonna look at me  
I am gonna get a prize  
If you are gonna look at me  
I am gonna get a prize  
Oh tell me so  
I wanna know  
Oh tell me so  
I wanna know  
And don't stall  
Tell me now  
Oh shower stall  
And I fell down, down  
Down down down  
If you are gonna look at me  
I am gonna get a prize  
If you are gonna look at me  
I am gonna get a prize  
If you are gonna look at me  
I am gonna get a prize  
Oh tell me so
