If Sonic Youth thinks you're cool  
Does that mean everything to you?  
If you think Sonic Youth is cool and you  
Think that they think that  
You're not that cool  
Does that mean everything to you?

Thurston hearts The Who  
How about you?  
Thurston hearts The Who  
Do you heart The Who too?  
Thurston hearts The Who

We've got nothing to do  
Except talk about you
