

Bile, Lowest Form

You are my life, my phantom god. You've got all I desire. You're not me, that's the strongest point of my blood. You are all I admire. I am the lowest form of you. Piss all over me, I piss all over you. Deceive you. I know that I'm a liar. I am the lowest form of you. I beat myself for you. I give myself for you. I'll do anything to meet you. I'll lose myself for you. I end myself for you. I'll do anything to, anything to make you... lowest form of you.
