

Bill Anderson, Can I Come Home to You

Honey if I'll be a good boy and always say please
If I promise to do all the right things like get down on my knees
And do everything you want me to do eu-eu-eu-eu can I come home to you
Baby I know I acted ugly oh how dumb can I be
But I'm sorry really I'm sorry just look at me see
And I'm so lonesome are you lonesome too eu-eu-eu-eu can I come home to you
If I cross my heart and I hope to die to never never hurt you or tell you a lie
Then will you forgive me I'm begging you to eu-eu-eu-eu can I come home to you
