

Bill Anderson, Circle in Triangle

[Bill]

There's a circle in a triangle it's a shining little band of gold

[Mary Lou]

You're the one who put it on her finger

[Bill]

Yeah but it's your hand I long to hold

That tiny circle it's the tie that binds me

[Mary Lou]

It's there to remind me you'll never be mine

[Both]

For that circle in a triangle three hearts in a tangle that'll never unwind

[Both]

I love you (I love you) I want you (I want you)

I need you (and I need you) my whole life through

But there's a circle in a triangle three hearts in a tangle hers yours and mine

I love you (I love you)...

Three hearts in a tangle that'll never unwind
