

# Bill Anderson, Don't She Look Good

(Jerry Chesnut)

She was on her way out of your life when I found her  
Not knowing which way to turn  
She's forgotten the feeling of two arms around her  
But it didn't take her long to learn.

You had new worlds to conquer so you didn't want her  
Or anything crampin' your style  
But don't she look great in the new dress I bought her  
And don't she look good when she smiles.

Did you really think you were so all important  
She couldn't get by on her own  
Did you really think losing you would destroy her  
And that's why she kept hangin' on.

She stuck to her promise and talked to her conscious  
She did all she could for a while  
Then picked up the pieces and she started livin'  
Now don't she look good when she smiles.

Don't she look good in a new dress I bought her  
And the new way that she wears her hair  
She's in a new world and she's not the same girl  
She knows now that somebody cares.

You can't believe that the same girl you let go  
Could change so in this little while  
But don't she look great in a new dress I bought her  
And don't she look good when she smiles.

Oh, don't she look great in a new dress I bought her  
And don't she look good when she smiles...
