

# Bill Anderson, I Know You're Married

(Don Reno - Mack Magaha)

I know you're married  
But I love you still.

The day I met you  
I knew you weren't free  
But I knew I'd love you  
Through eternity.

And though I knew you  
Were another's bride  
I vowed my heart  
Would never leave your side.

You know I love you  
And I always will  
I know you're married  
But I love you still.

--- Instrumental ---

I never would have  
Made that sacred vow  
If I had only known  
What I know now.

There's room for only you  
Inside my heart  
So close together  
Yet so far apart.

You know I love you  
And I always will  
I know you're married  
But I love you still.

I know you're married  
But I love you still...
