

Bill Anderson, I Love You Drops

(Bill Anderson)

They're not teardrops
Just sincere drops
They're I love you drops
'Cause I love you. (I love you.)

They were on my pillow when I woke up this morning
They were on the letter I tried all day to write
And just a little while ago I saw them
Falling on your picture as I kissed it goodnight.

I love you drops
I miss you drops
Hurry home drops
You've been gone so long drops.

They're not teardrops
Just sincere drops
That say I'm lonesome
And I love you, (I love you.)

--- Instrumental ---

Never knew this heart could hurt the way it hurts for you
Never lived so many lifetimes in a week
Why don't you come back to me the way you said you would
And kiss these little crystals off my cheek.

I love you drops
I miss you drops
Hurry home drops
You've been gone so long drops.

They're not teardrops
Just sincere drops
That say I'm lonesome
And I love you. (hurry home.)

I love you. (I love you.)...
