

# Bill Anderson, I Love You Drops

(Bill Anderson)

They're not teardrops  
Just sincere drops  
They're I love you drops  
'Cause I love you. (I love you.)

They were on my pillow when I woke up this morning  
They were on the letter I tried all day to write  
And just a little while ago I saw them  
Falling on your picture as I kissed it goodnight.

I love you drops  
I miss you drops  
Hurry home drops  
You've been gone so long drops.

They're not teardrops  
Just sincere drops  
That say I'm lonesome  
And I love you, (I love you.)

--- Instrumental ---

Never knew this heart could hurt the way it hurts for you  
Never lived so many lifetimes in a week  
Why don't you come back to me the way you said you would  
And kiss these little crystals off my cheek.

I love you drops  
I miss you drops  
Hurry home drops  
You've been gone so long drops.

They're not teardrops  
Just sincere drops  
That say I'm lonesome  
And I love you. (hurry home.)

I love you. (I love you.)...
