

# Bill Anderson, I'm So Lonesome I Could Cry

(Hank Williams)

Hear that lonesome whippoorwill  
He sounds too blue to fly  
The midnight train is whining low  
I'm so lonesome I could cry.

I've never seen a night so long  
When time goes crawling by  
The moon just went behind a cloud  
To hide its face and cry,

Did you ever hear a robin weep  
When leaves began to die  
That mean he's lost the will to live  
I'm so lonesome I could cry.

The silence of a falling star  
Lights up a purple sky  
And as I wonder where you are  
I'm so lonesome I could cry...
