

Bill Anderson, I'm Walking the Dog

I'm a walkin' the dog and I'm never blue
I'm a walkin' the dog ain't thinkin' bout you
I don't need no one to tie me down I'm a walkin' the dog and paintin' town
Such an easy life I never knew since the day that I left you
I'm a carefree lad and I've seen the light
And I'm a walkin' the dog all day and all night
[fiddle - steel]
Such an easy life...
And I'm a walkin' the dog all day and all night
