

Bill Anderson, I Missed Me

(Bill Anderson)

Last night was the worst night of my life no doubt
Cause while I stayed at home someone else took you out
I cried cause I love you with all of my might
And I missed me, how I missed me at your house last night.

I missed holding hands walking out on your lawn
I missed the sweet kiss that was mine for so long
Were you happy with new arms wrapped around you so tight
While I missed me, how I missed me at your house last night.

--- Instrumental ---

Did the neighbors say they noticed anything strange
Like a different car parked in your drive for a change
Did they watch as he kissed you beneath the porch light
Did they miss me, like I missed me at your house last night.

I missed holding hands walking out on your lawn
I missed the sweet kiss that was mine for so long
Were you happy with new arms wrapped around you so tight
While I missed me, how I missed me at your house last night...
