

Bill Anderson, I Still Miss Someone

[Mary Lou Turner]

At my door the leaves are falling the cold wild wind will come
Sweet hearts world bide together but I still miss someone
I go out on a party to look for a little fun
But I find a garden corner cause I still miss someone
Oh I never got over those blue eyes cause I see them everywhere
And I miss the arms that held me when all the love was there
I wonder if he is sorry for leaving what we begun
And the someone somewhere for me but I still miss someone
At my door the leaves are falling the cold wild wind will come
Sweethearts world bide together but I still miss someone
Oh I never got over those blue eyes
