

# Bill Anderson, If You Can Live With It

(Bill Anderson)

You say you've found another, another you love better  
You say you're gonna leave me, pack up and go  
You don't wanna hurt me but you've just gotta have him  
And how will I take it, you want to know.

Well, if you can live with it, I can live without it  
If you can face your conscience, I can face my pride  
If you can live with it, I can live without it  
'Cause I did the only thing I could do baby, I tried.

--- Instrumental ---

Can you really take your rings off without feeling kinda dirty  
Can you really kiss him while you're wearing my name  
Can you run your fingers all across his body  
Without missin' me a little and feelin' ashamed?

If you can live with it, I can live without it  
If you can face your conscience, I can face my pride  
If you can live with it, I can live without it  
'Cause I did the only thing I could do baby, I tried...
