IT'S NOT THE END OF EVERYTHING

(It's not the end of everything)

Just because my love has gone

Don't think my life would still go on

Because she wanted to have her fling

It's not the end of everything

The world still turns the sun still shines

There's plenty of girls for hearts like mine

One never knows what tomorrow might bring

It's not the end of everything

Just look at the things I still possess

Like a heart that's filled with emptiness

A life of pure unhappiness

Two arms that hold just loneliness

My rooms overflow with blue blue songs

I think of the nights I can spend all alone

And all of the days I can just sit and dream

It's not the end of everything
