

Bill Anderson, Just for You

Just for you just for you that's why I say the things I say and I do the things I do
No one else can make my arms feel like they're wrapped around the world
Yes I live my life just for you (just for you)

Each day I wake up with a kiss just for you
And I count my many blessings and I thank the Lord for you
And each minute of the day I live a dream that has come true
Yes I live my life just for you
Just for you just for you...
Yes I live my life just for you (just for you)
