Bill Anderson, Just for You

Just for you just for you that's why I say the things I say and I do the things I do No one else can make my arms feel like they're wrapped around the world Yes I live my life just for you (just for you)

Each day I wake up with a kiss just for you And I count my many blessings and I thank the Lord for you And each minute of the day I live a dream that has come true Yes I live my life just for you Just for you just for you... Yes I live my life just for you (just for you)
