

Bill Anderson, Put a Little Love in Your Heart

Think of your fellow man lend him a helping hand put a little love in your heart
You see it's gettin' late oh please don't hesitate put a little love in your heart
And the world will be a better place and the world will be a better place
For you for you and me and me you just wait you just wait and see and see

Another day goes by and still the children cry put a little love in your heart
If you want the world to know we won't let hatred grow put a little love in your heart
And the world will be a better place...

Take a good look around and if you're looking down put a little love in your heart
I hope when you decide on just who'll be your guide put a little love in your heart
And the world will be a better place...
Put a little love in your heart each and every day
Put a little love in your heart everybody
Put a little love in your heart go now put a little love in your heart
