

Bill Anderson, Remember Me

(Scott Wiseman)

Remember me when the candle lights are gleaming
I want to know you still remember me
The sweetest songs belong to lovers in the gloaming
The sweetest days are the days that used to be
The saddest words I've ever heard were words of parting
When you said sweetheart remember me.

Remember me when the candle lights are gleaming
Remember me at the close of a long, long day
It would be so sweet when all alone
I'm dreaming just to know you still remember me.

--- Instrumental ---

You told me once that you'd be mine alone forever
And I was yours till the end of eternity
But all those vows are broken now
And we will never be the same except in memory.

Remember me when the candle lights are gleaming
Remember me at the close of a long, long day
It would be so sweet when all alone
I'm dreaming just to know you still remember me.

Just to know you still remember me...
