

# Bill Anderson, Ring Around a Rosie

Children play ring around a rosie laugh and sing like you always do  
Children play ring around a rosie mommy will be home in a day or two

Remember the story I read to you when I tucked you in last night  
About the pretty princess who loved the party life  
Well that's the way that mommy is but she'll be home after while  
So dry your tears my little ones and give your daddy a smile  
Children play ring around a rosie...

Mommy's away at the castle now where party people go  
She's likely dancing with the king her pretty eyes aglow  
But she'll be home on Sunday dears to go to church with us  
We'll tell her not to leave again cause we love her so much  
Children play ring around a rosie...
