

Bill Anderson, Someday We'll Be Together

(Jackey Beavers - Johnny Bristol - Harvey Fuqua)

Someday we'll be together
Say it, say it, say it again
Someday we'll be together
Yes we will, yes we will.

You're far away
From me my love
But just as sure my baby
As there are stars above.

(Mhm) someday we'll be together
Tee we will, yes we will
Someday we'll be together
Yes we will, I know we will.

My love is yours, baby
Right from the start
You possess my very soul
And I know, I know you own my heart.

(And I know that) someday we'll be together
Yes we will, yes we will
Someday we'll be together
Yes we will, I know we will.

A long time ago I made a big mistake
And I said goodbye
Ever since that day all I wanna do
Is sit and cry.

I long for you every night
Just to kiss your sweet, sweet lips
And hold you so tight.

Mhm someday we'll be together
Aay it, say it, say it again
Someday we'll be together
Say it, say it, say it again.

Someday we'll be together
Say it, say it, say it again
Someday we'll be together
Yes we will...
