

# Bill Anderson, Talk to Me Ohio

Hmm-hmm-hmm talk to me Ohio hmm-hmm-hmm can't you hear my song  
Down your city streets somewhere a country girl is runnin'  
Seekin' peace and comfort in the midnight of your soul  
She thinks she saw a rainbow reachin' down to touch you  
And within your arms she thinks she'll find the pot of gold  
Hmm-hmm-hmm talk to me Ohio hmm-hmm-hmm tell me where she's gone  
Talk to me Ohio can't you hear my song

A Greyhound bus in Macon took her to Atlanta  
The Silver Bird to Cleveland then I lost her track  
I've looked in every honky tonk from Akron to Columbus  
From Dayton to Toledo Ohio give her back  
Hmm-hmm-hmm talk to me Ohio...

If she wakes up tomorrow and bathes among your flowers  
Walk beside your waters and feels your gentle breeze  
She'll want to stay and sleep inside your loving arms forever  
And if she does Ohio who's to sleep with me  
Hmm-hmm-hmm talk to me Ohio...  
Hmm-hmm-hmm hmm-hmm-hmm
