

# Bill Baylis & Simon Stewart, Life Is Just A Game

You take me to another place  
You take me to another space  
Oh maybe spin me round again  
'Cause life is just the game  
Again... again...  
Can you feel it?  
Can you feel it too?  
Can you feel it too?  
Can you feel it?  
Can you feel it too?  
Can you feel it?  
You take me to another place  
You take me to another space  
Oh maybe spin me round again  
'Cause life is just the game  
Again... again...  
Can you feel it?  
Can you feel it too?  
Can you feel it too?  
Can you feel it?  
Can you feel it too?  
Can you feel it too?  
You take me to another place  
You take me to another space  
Oh maybe spin me round again  
'Cause life is just the game  
Cause life is just the game  
Cause life is just the game  
Again... again...
