

Bill Baylis & Simon Stewart, Life Is Just A Game

You take me to another place
You take me to another space
Oh maybe spin me round again
'Cause life is just the game
Again... again...
Can you feel it?
Can you feel it too?
Can you feel it too?
Can you feel it?
Can you feel it too?
Can you feel it?
You take me to another place
You take me to another space
Oh maybe spin me round again
'Cause life is just the game
Again... again...
Can you feel it?
Can you feel it too?
Can you feel it too?
Can you feel it?
Can you feel it too?
Can you feel it too?
You take me to another place
You take me to another space
Oh maybe spin me round again
'Cause life is just the game
Cause life is just the game
Cause life is just the game
Again... again...
