

# Bill Miller, Some Of Shelly's Blues

Tell me just one more time the reason why you must leave  
Tell me once more why you're sure you don't need me  
Tell me again but don't think you'll convince me  
Oh, you said about fallin' in love again, you'd rather be dead  
When someone breaks your heart, you cry your eyes red  
There's nothin' so hard about the life that you've led

As far as I can see there's no reason for goodbye  
You're just runnin' scared and that's something I won't buy

So you lose, I won't let you go, there's nothin' to show but more blues  
And all this talk about leaving's strictly bad news  
So you settle down and stay with the boy that loves you  
Oh, you settle down and stay with the boy who loves you  
Yeah, you settle down and stay with the boy who loves you...
