

Bill Miller, The Vision

i heard a voice callin' out to me
might've been a vision might've been a dream
it said some things will come and some will go
we're only here a moment don't you know

i don't claim to have all the answers
and i've got my share of questions
but if i don't follow blindly
it doesn't mean i've lost my way
i'm still on the journey
headed down the road less traveled
i guess we're all gonna get there
in our own time and way

there's a bridge that leads to the other side
you'll know you've crossed when you arrive
everyone will have a tale to tell
i'm gonna quench my thirst when i drink from that well
