

# Bill Monroe, Down In Caroline

In the shadow of the pines  
Lives a girl and I know that she is mine  
Life's worth livin' any time  
Down in Caroline.

It's no matter where I roam  
she'll be waitin' there I know  
And I'll find that gal of mine  
down in Caroline

She is waiting there for me  
Soon her smile I know I will see  
She's all mine where I can be  
Down in Caroline

Curly hair and eyes of blue  
And a heart of love all for you  
And I know her love is true  
Down in Caroline

Arms that hold me close and tight  
And lips that kiss me goodnight  
And I know her love is right  
Down in Caroline
