

# Bill Monroe & His Bluegrass Boys, I Want To Go

I'm begging to you and I want to go with you  
You're breaking my heart as you say goodbye  
I hope and I pray we'll soon be together  
My heart is so full it's hard not to cry

What will I do when the leaves start falling  
The far distant hill will make me feel blue  
Soon the flowers will die, don't let love die with them  
And with you gone dear, what will I do

Your sweet ruby lips and hair like an angel  
And your mournful eyes they keep haunting me  
But to know that you're mine it makes life worth living  
Oh, the time's gone by, a sweet memory

I'm trusting in you but each hour seems longer  
I'm counting the days when I'll be with you  
Our hearts are entwined, they're blessed with the future  
A safe journey home I'm waiting for you
