

# Bill Monroe & His Bluegrass Boys, I Wonder Where

1.  
I&#039;m sad tonight my heart is weary  
I&#039;m wondering if I&#039;m wrong or right  
To dream about you though you left me  
I wonder where you are tonight

Chorus:  
That old rain is cold and slowly falling  
Upon my window pane tonight  
And though your love grows even colder  
I wonder where you are tonight

2.  
Your heart was cold you never loved me  
Although you often said you cared  
And now you&#039;ve gone to find another  
Someone who knows the love I shared

Chorus

3.  
Then came the dawn the day you left me  
I tried to smile with all my might  
But I just couldn&#039;t hide the sorrow  
That lingers in my heart tonight

Chorus
